## About VO-YAGE

Enzo Chan, designing ageless garments, for customers from boys to men.

With a focus on casual luxury and a constant exploration of new fabrics and functional details, each collection is the result of a combination of comfortable, durable garments in timeless styles and my inspirations, which comes from Enzo's thoughts on stories and experiences. All garments are made with close attention to detail and quality, rejecting fast fashion. At the end of the day, his goal is to create designs that are non-seasonal and timeless, making the garments long-lasting.
