

WILSON MA

## Biography

Wilson Ma, opening his first boutique in Hong Kong in 2020 – called Quarter Past 3hree – He studied in the UK majoring economics. After graduation, He was inspired by his father that to become a fashion designer. Since Wilson Ma did not study any fashion related subjects in his entire school life, he started to work in his father's company as an internship in order to experience all the knowledge and steps of the fashion design industry. Starting from zero, he tried to produce different styles of clothing, absorb different comments from the clients and build up his own style for his brand. Recently, he has opened his second boutique coming with a brand new collection.
